Engineering with Membranes – EWM 2019 8-10 April 2019

For nearly 25 years 'Engineering with Membranes' has been a successful conference series for membrane researchers interested in the engineering aspects of membrane science. After the conference series travelled for the last two legs to Asia – Beijing (2015) and Singapore (2017) – we are very happy to welcome it 2019 to Båstad in Sweden.

Australian Government

PFAS

PFAS

Australian Government website provides easy access to information on per- and polyfluoroalkyl substances (PFAS) and PFAS contamination, for a wide range of interested audiences. It provides links to PFAS information pages on Commonwealth and State/Territory government agency websites, as well as links to relevant international sites.
